Notes:

EPA = U.S. Environmental Protection Agency

FS = Feasibility Study

RAL = remedial action level

RM = river mile

SMA = sediment management area

1 - Areas in EPA RAL SMA areas that were not in Draft FS RAL SMA areas.

2 - Areas in Draft FS RAL SMA areas that are not in EPA RAL SMA areas.

3 - EPA RAL SMA Area = Unchanged + Added

4 - Draft FS RAL SMA Area = Unchanged + Removed

5 - Only SMAs and RMs with areas in EPA or Draft FS RAL SMA areas are shown
